## User Story Description

**As** a Generalist SME

**I want to** view my current SBB favorite accounts
**So that I can** I know how much balance I have for each account

## Acceptance Criteria

1. The user is able to view SBB favorite account details
   a. account title
   b. account balance
2. The user is able to view favorite icon for all the accounts I saved on the digital banking platform
3. The maximum numbers of favorite accounts is 4 accounts, if user's favorite account is more than 4, only top 4 accounts will be displayed and the rest of favorite account should go towards other accounts.
4. The ranking of the favorite accounts should be based on last activity date with the latest on the top.

Assumption: Each account is not clickable

## Specs by Example & Business Rules

| # | Given | When | Then | Business Rules |
|---|-------|------|------|----------------|
| 1 | The user is on the dashboard page | The user is browsing on the account section | The user is able to view favorite SBB account balance | |

## Dependencies

- CWB SBB Account Integration
